The Secret of Success in Retail: Manage Your Prices and Promotions.

☒ right

☒ left_tagline_top	☒	☒ body_gutter_top

Easier said than done. To maximize profits and customer flow-through, retailers need price and promotion working together to deliver the company objective. However, most retailers are caught up in the day-to-day logistics of putting product on shelves...And don't have time for the complex job of optimizing prices in a challenging environment, with conflicting objectives, strategies and constraints.

DemandTec can help:

- We offer a **breakthrough**, Web-based service that identifies the most profitable pricing and promotion combinations for all of your products, taking into account multiple objectives, strategies and constraints.

- Our high-level, proprietary science **optimizes price and promotion as a single system**, applying sophisticated econometric techniques and advanced technology to deliver precise recommendations.

- Our world-beating team of category managers and optimization experts work in partnership with you to implement our solution rapidly and achieve **a guaranteed step-change in results**.

The result goes directly to your bottom line.

Whether for an e-commerce business or traditional retailer, we can manage prices more effeciently, and increase profits **dramatically**. Our results to date show that we can improve net profits by at least **40-80%** and in some cases, significantly more.
